### USE THE PHOTOS FOR YOUR MARKETING

---

#### YOUR WEBSITE

Make your Giardina presentation the flagship of your products and services. Give your customers and website visitors an idea of how your products and services could look in their garden. This is how you achieve even more qualified leads.

#### SOCIAL MEDIA

High-quality photos are ideal for Facebook and Instagram posts and ensure a high reach.

#### MEDIA WORK

Arouse media interest with high-quality photos that convey your unique selling proposition quickly and visually.
